

Duke of Edinburgh's Award

Right: James leading the way, just after setting out across The Forest.

The Scout Duke of Edinburgh Award Scheme has been progressing slowly but surely for the last few months, and a few weeks ago (on the 25th and 26th of May) the group went out on the practice expedition.

Susan May joined me, Stephen White and Alison Giddens for the hike. We planned everything from the kit to the menu and we left nothing to chance, so our bags ended up extremely heavy. We left on Saturday lunch time and it was a beautifully sunny and warm day as we set out across the Forest - and everything was turning out brilliantly. We managed to stay on schedule all the way, even on the Sunday when we were literally under three inches of water all the way. It was most demoralising, but we made it eventually - and finished slightly sooner than we were meant to.

Overall a good time was had by all and we are now preparing for the real thing which will be going ahead very shortly.

Sailing: Mid-Summer Report

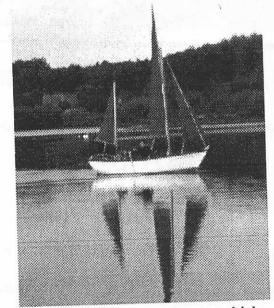

So far the sailing conditions have been good, no high winds but always enough to make the boats move well and respond well.

It has pleased me to see new people taking charge of boats:-Well done everyone.

We have joined Spinnaker Club members for race training practice which has been enjoyable and successful. The Club will be organising further sessions during the year and we intend to join in as many times as we can. Racing is a very enjoyable in itself and sailors learn how to sail the best course and to get the best from their boat. It helps focus young minds on the tasks in hand.

The two Regattas were both successful in different ways. At our own Group regatta it was nice to see so many Scouts taking part sailing and canoe events. Brothers and sisters seemed to be enjoying themselves as well.

The evening barbecue was very successful and I'm sure that the trip across the lake in the Bass Boat will become the inspiration for many of the very youngest to take up sailing as they grow older and come up to Scouts. Thank you Roger Marsh. We hope to have

Roger Marsh's Bass Boat - which he kindly allows the Scouts to use.

further opportunities to use it for different groups later in the year.

The Regatta for Scout Groups in the Solent area was good for us because we achieved **3rd** Place, there were ten Groups taking part. Well done every one who took part special congratulations to Matthew Peddle and Jonathan Shepley who won races.

BOAT MAINTENANCE: Thank you all those parents who have helped so far. There is still more work to be done, two boats are still not usable yet. We really do need them.

THE NEXT STEPS: So far we have been getting novices to build up their confidence, from July we can start to work for RYA certificates. This will be easier for me because I have support from Hywel Morris and Nigel Mills. So we need all boats as soon as possible.

Thanks to all the helpers both on and off of the water: John Douce for organising the sailing, Hywel Morris for running the safety boat all day, Chris Douce for helping with the boats, Thomas Brand for keeping the sailing results, Graham Bland and Mike Scott for helping with canoeing and games and the various parents who helped with the boats.

Once again the Barbecue was a great success thanks to the efforts of the Fund Raising Committee. It raised some funds as well as being very enjoyable.

Fund Raising

The regatta barbecue brought in in excess of £200, many thanks to all who supported it. On to the next thing, the flea market on SEPTEMBER 7th - lots of help required on the day and beforehand, we desperately need volunteers for distributing notes and also space in which to store. If you can manage a couple of streets or a small area it would be much appreciated. Please phone Maggie Dobbs on 653689, Dawn Gray 657017, Karen Hunt on 652118, Caroline Morris 656250.

James Bennett and Ben Dobbs assisting the Fund Raising committee at the Barbecue.
